

BioTechMed-Graz Nobel Lecture 2018

Nobel Laureate Prof. Harald zur Hausen

19.12.2018, 5 p.m.

**Aula University of Graz
Universitätsplatz 3, 8010 Graz**

Program

- Welcome Addresses
- Nobel Lecture "Prevention of Cancer: The Perspective of Novel Cancer-Linked Infections"
- Get-together & Buffet

Prof. Harald zur Hausen has been awarded the Nobel Prize for Physiology or Medicine for the discovery of specific human papillomavirus types and their role in cervical cancer in 2008. His research made it possible to develop a vaccine against one of the most frequent forms of cancer in women.
